The Ponderosa Stomp attracts a vinyl-centric, musically fanatical crowd, who are looking to add to their collections. Dealers who bring relevant records at reasonable prices will do very well. This includes a focus on, but is not limited to: Garage, Soul, R&B, Rocksteady, Boogaloo, Funk, Jazz, Rockabilly, 70s punk, etc. on 45s, LPs, and 78s. There is also a focus on the music of the Gulf Coast states, New Orleans in particular, and the artists represented at the Ponderosa Stomp concert and conference.

The Ponderosa Stomp Music History Conference will be going on in the same hotel on Thursday and Friday, and of course there will be music every night starting with the Hip Drop on Thursday, and the massive Ponderosa Stomp itself at Rock N Bowl on Friday and Saturday. All details about the Stomp can be found at ponderosastomp.com.

Dealers are expected to be set up on time and to remain set up all day. The show is on the first floor and there will be Stomp volunteers on hand to help coordinate and direct, but you will be expected to handle your actual stock load in/out. Special needs related to loading in/out can be accommodated with advance notice and parking info will follow.

Dealers will be able to set up on Thursday morning and leave their tables each night. The room will be locked and there is security at the hotel. Load out is currently confirmed for Saturday evening by midnight, but we will hopefully be able to leave everything set up until Sunday morning.

We look forward to seeing you there!
